SEA-PAC Volunteers

- It takes a small army to make *SEA-PAC* happen
- If you're in Seaside on Friday June 3, we need volunteers to help with Exhibitor and Flea Market move-in and set-up and again Sunday afternoon to help teardown and move-out
- There are also ample opportunities to volunteer during the convention on Saturday and Sunday
- If you're interested in volunteering for a few hours, send an email to volunteers@seapac.org or call the *SEA-PAC* message line at (503) 882-7388.

Thank You for Your Generous Donations to SEA-PAC

The *SEA-PAC* committee thanks everyone that has supported *SEA-PAC* for 2021 with your generous donations. *SEA-PAC* has expenses, even without an in-person convention.

If you wish to donate to *SEA-PAC*, you can send your donation, in any amount, to *SEA-PAC*, PO Box 7263, Aloha, OR 97007-0963.

SEA-PAC is a 501(c)(3) non-profit and donations may be tax deductible.

Those who have and will donate to *SEA-PAC* will be recognized in the 2022 *SEA-PAC* convention booklet.

Thank You

COVID-19 and SEA-PAC

We hope we are able to gather safely and without the need to mask or show vaccination status (or exemption) at this year's *SEA-PAC* convention. But we must prepare for the possibility of continuing requirements from the State of Oregon, Clatsop County, and the City of Seaside to wear masks, possibly to show proof of vaccination or exemption from vaccination.

SEA-PAC volunteers would need to make sure convention attendees abide by these requirements.

On this year's online registration form (older/mailed registration forms are no longer accepted), we ask registrants to check a box indicating they *and everyone they're registering for* agree to follow any potential requirements at *SEA-PAC*.

If anyone does not agree with this, we ask them to join us when we meet in 2023, and to view any available materials from presentations at 2022's *SEA-PAC* after the convention on our website, www.seapac.org in the meantime.

We all look forward to moving beyond the COVID-19 era and being able to safely celebrate amateur radio *together* at *SEA-PAC*!

Thank You,

The *SEA-PAC* Committee
